Under the provisions of Section 278.140, Kentucky Revised Statutes, this Commission requires each public utility under its jurisdiction to file annually, on or before March 31 of each year, an annual report for the previous calendar year, conforming to the provisions of our Regulation, 807 KAR 5:006, Section 3. The form was mailed with a cover letter dated January 2, 1986. A follow-up letter dated April 9, 1986, informed the utilities, named herein, that the Commission had not received the report. The letter further stated that the report must be filed immediately and the failure to comply may result in the imposition of penalties as provided by KRS 278.990.

Section 278.990 provides that fines of not less than \$25 nor more than \$1,000 may be levied against utilities that fail to obey any lawful requirement of the Commission.

WHEREFORE, the Commission, being duly advised, levies a fine of \$100 upon each of the above-named utilities for failure to file such reports of gross operating revenues. This fine is to be made payable to the Treasurer, Commonwealth of Kentucky, within 30 days of the date of this Order. Filing of the report is still required by Statute and this fine in no way relieves that responsibility. The Annual Report is to be filed within 20 days of this Order. Further penalties may result if these reports are not filed with this Commission.

Any utility that feels the penalty is unjustified or in error may request a hearing within 20 days of this Order as provided in KRS 278.410.

Done at Frankfort, Kentucky, this 29th day of May, 1986.
